

TRIBU

IBIC

Tribbū es una banda que se mueve entre el **Metal**, el **Rap** y el **Rock**, fusionando de forma natural las diversas influencias de sus componentes. Mezclando detalles del **Rap Metal** de los 90 con el **Nü Metal** de los 2000 logra un sonido contundente, directo y muy atractivo.

El grupo se forma hacia finales de 2018 y en 2019 ve la luz la primera mitad de su disco autoproducido **N.A.T.I.V.O.**

En marzo de 2020 sale la segunda mitad de **N.A.T.I.V.O.** completando así el primer lanzamiento oficial de la banda.

A photograph of a five-member band standing in a forest of bare trees under a clear blue sky. A thick plume of white smoke rises from the ground in the foreground, partially obscuring the lower half of the band members. The band consists of five men with various styles of long hair, beards, and tattoos, all dressed in dark clothing. The man on the far right is wearing sunglasses and has a large tattoo on his left arm. The man in the center has a beard and a vertical black mark on his forehead. The man on the far left has long, wavy brown hair and a beard. The man next to him has a beard and face paint around his eyes. The man in the center-right is making a hand gesture.
